Description

Remarkable pair of large demi lune couches or conservation seat. Could be used locked together as one huge circular sofa (ideal for a grand hotel foyer) or, perhaps more usefully, as two large demi-lune couches stood flat against a wall. Each is big enough to comfortably seat 5 people. Superb quality construction with a sprung seat, buttoned upholstery in a rich red brocade fabric, raised on turned oak legs. Excellent condition, very solid and sturdy with clean covers. Dimensions: diameter 98", height 40", seat height 20".
