Description

An outstanding example of these rare and much sought after clocks. Made by the renowned maker, J.W.BENSON of Ludgate Hill, London, watch and clock makers to the Admiralty, Royal Household and numerous others. The 8 day, weight driven movement strikes on the hours. It has just been fully serviced by our BHI registered staff. The 12" white painted dial has black Roman numerals and beautifully cut hands. It has a subsidiary seconds dial and a cast, brass bezel. The flame mahogany case retains it's original French-polished finish and has a superb age-related patina that only time can produce, giving the clock a warm homely feel. A totally original clock that will add to the ambience of any home. Dimensions: Height: 59" (150cm) Width 17" (43cm) Depth 9" (23cm)
