Description

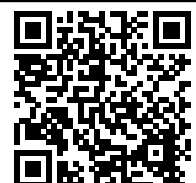

French Childs Dining Chair, High Chair This is a handy and very attractive piece which will allow a youngster to sit at the right height at adult's dining table. The chair has one central leg and spread out feet for stability, with a child size seat similar to a captain chair on top, it has arms and a flat cane seat, and would work well in any dining room. The chair is made in beech, it is in good condition no wobbles or loose joints, it has been treated for wood worm as there are a few old holes in the back. The chair is 38" high at the back, the seat height is 22", and the chair is 15" deep and 15" wide.
