Description

Good late Regency / William IV neat size rosewood veneered wellington chest. This is a great size for one of these as it isn't too tall. This example has four single drawers with a double fitted secretaire drawer to the top. The secretaire drawer has an original leather insert and is fitted with pigeon holes to the top. It looks like it might have had two small drawers under the pigeon holes which are missing. All the drawers are mahogany lined. There is an old filled shake to the top and the piece requires two small veneer repairs to the base which will be done in the price. SIZE; 25" wide by 15 1/2" deep by 41" high CIRCA; 1825 - 1835
