Description

A pair of French Arts and Crafts Walnut Library Chairs. These beautiful chairs come with their original woven linen upholstery, they date back to around 1880, and though showing slight signs of wear the fabric has beautifully muted colours, the picture on each chair seat and back vary slightly from each other, so the fabric was made especially for these chairs. So from the French Arts and Crafts movement we have a pair of very good quality and comfortable Walnut Library chairs. The seats and chair backs are brass studied and sprung, they are sound with a little wear to the upholstery fabric. The chair backs are 44" high, the front is 25" wide, 26" deep.
