Description

French Gothic Carved Hall or Centre Table This is an intricately and very attractive piece, of Gothic Carved furniture, it is made in walnut a wood much favoured by craftsmen in France. It has a cross banded top and there are 2 drawers on one side, the deep frieze on the other side is carved to match but with no drawer, so this piece looks wonderful from both sides The legs are in an H formation with intricate carvings of the heads of Mythical Serpents and Acanthus leaves and tall ornate spindles This is an unusual piece to come across and a delight to look at it would work very well as a hall table, it is in good attractive condition with no obvious signs of any repairs The table is 51" wide, 30" high, 31" deep SR289 We Give Free Delivery to Mainland England & Wales, Delivery times vary according to your location usually 7 to 28 days We only operate an online store and regrettably viewing in person is not an option.
