Description

Large Victorian Mahogany Shop Display Cabinet, Museum, Collector's This is a very rare piece with curved glass at the front, the cabinet would have been set against the wall in a 19th century shop. The Mahogany Cabinet is divided into 3 sections by glass panels, it has a curved front surface (D shaped), with original mirrored backs in each section, giving plenty of reflected light. Each section has a upward lifting curved glass door and there is a metal support to hold the door open while access to the interior is required. The cabinet has been fully returned to show room perfection it was made by G. Treble & Son Hoxton famous for manufacturing only the very best quality shop cabinet pieces. The Cabinet is 22" high, 84" long and 16" deep. We Give Free Delivery to Mainland England & Wales, Delivery times vary according to your location usually 7 to 28 days. We only operate an online store and regrettably viewing in person is not an option. In the unlikely event you wish to return an item you should contact us immediately. We will then arrange for you to return it to us at the buyer's expense, the item must be returned back with us in the same condition as it left and a f...
