Description

Very unusual Chemists Apothecary bottle set, housed in a mahogany and brass base. The piece contains six small round bottles, all with their original stoppers. Then there is a much larger bottle marked out on the outside in what is probably fluid ounces. The large bottle has a small pouring spout and has its original stopper. The large bottle is kept in place via a brass spring mechanism. There is no damage to any of the bottles. SIZE; 16 1/2" long by 1 3/4" wide. CIRCA; 1920
