Description

An excellent quality SOLID SCOTTISH SILVER QUAICH of traditional design with shallow bowl and pierced double handles. Made by the famous and much sought after silversmiths of Hamilton & Inches the piece was hallmarked in Edinburgh in 1903. With no added monograms or initials and made from heavy gauge silver this is in superb condition especially considering it is now over 110 years old. Hamilton & Inches obtained a Royal appointment as "goldsmiths, silversmiths, clock & watchmakers to Her Majesty" Queen Victoria and the firm is now the only Scottish manufacturing goldsmiths company to survive from 19th century. It currently holds a Royal Warrant to Her Majesty The Queen Elizabeth II as silversmiths. A lovely piece which would make a fabulous gift or add to any collection.
