Description

Top quality deep buttoned hand coloured leather chesterfield in great original condition & with loads of character. It's antique Victorian style & dates from around the 1920-30's period. This chesterfield is very comfortable & the upholstery is all good. There are no splits or holes to the leather. The leather has been professionally revived & hand polished. It's a very heavy, solid item & it sits on turned flat bun feet. These quality chesterfields are becoming very hard to get hold of. I've just sold one & I have one more coming in very shortly, but then it could be 6 months before another turns up. Width - 82.7", 210 cm Depth - 37.8", 96 cm Height - 29.5", 75 cm Seat height - 15.4", 39 cm
