Description

The chandelier has been professionally restored and rewired to the highest standards. Any questions please do not hesitate to contact us. This is a 2 tiers Dainty French 12 Arms ceiling candelabra from the Victorian era in gilt brass and crystal, converted professionally to electrics to a chandelier. This chandelier is dressed full of original large hand-cut antique crystals with high lead content (34-38%, typical of this period, as opposed to 15-24% modern crystals), which give you such a beautiful and dazzling array of coloured reflections. It has 2 tiers with 12 arms, 6 of which are twin arms therefore providing 18 bulbs in total. This chandelier has been professionally rewired and restored to the highest standard using only the best components, ready for immediate installation. The frame is solid and has a lovely patina which would fit in nicely in both period and modern homes; it has been sympathetically cleaned and restored without losing the patina. MEASUREMENTS (all approximately): Height/Drop = 32.5in/83cm (chain not included) Width/diameter = 28in/71cm Weight = 13kg Cable = 1.4 metre. Mainland UK delivery (we deliver to most postcodes) is £75. Inc...
