Description

Early 19th Century Rustic Pine Irish Dresser The shelled part of the dresser has three selves with moveable plate holders with a moulded and carved cornice it is strongly made in solid pine throughout with original pine back boards The dresser base has a 1" thick counter top with raised and shaped sides, beneath there is along shelved cupboard with a wide moulded panelled door, it stands on a chunky plinth This dresser is a genuine Irish piece with as much of a rustic look that anyone could want, it has a wonderful patina which has been made mostly by Irish wood worm and if you are familiar with Irish furniture you will know what I mean This is a real country piece would work well in a Victorian Farmhouse Kitchen Design or as a standalone in a modern room This attractive dresser is soundly constructed it has no loose joints or wobbles, the wood worm is quite dead now so there will be no further deterioration Many of our design clients are anxious to find rustic and country items with great character and are looking for pieces like this with original patination and plenty of authentic character The Dresser is 57" wide, 21" deep and 80" high and it does not disassemble for...
