Description

19th Century Barn Fresh Shabby Oak and Pine Centre Table This is a very attractive piece, the base is made in solid Oak, and the top is made from 4 planks of 1.5" thick pine it does come in two to aid transport. The table has 7 Turned Oak legs on an H floor stretcher this has been left in its original shabby painted greyish finish. The solid planked top has had many colours of paint in its long life, now mostly worn off but leaving a splendid look The table though old is very sturdy, the wood is beautifully dry and the old paint has a rustic look, a fantastic addition to a modern entrance hall or shop The table is 30" wide, it is 64" long, it is 31" high TPH39 We Give Free Delivery to Mainland England & Wales, Delivery times vary according to your location usually 7 to 28 days We only operate an online store and regrettably viewing in person is not an option.
