Dimensions

Height = 28 cm (11.0")

Width = 35 cm (13.8")

Depth = 10 cm (3.9")

Description

An interesting and somewhat speculative OIL PAINTING on wooden panel of a Continental landscape. Very well painted and in good condition, it depicts a large house overlooking the coastline, with boats working and at anchor in the bay below and various figures in the foreground amongst the trees. This is an attractive painting, probably late 18th/early 19th century and indistinctly signed with a monogram ("JM*?") lower right corner.

Internal Ref: 1188
