An exceedingly fine, silver hand mirror. The back of the mirror overall has various geometric designs which gives an almost engine turned effect, with a simplistic, very stylised, art deco design as the centrepiece. The front of the mirror is classically plain with no engravings and compliments the mirror. Hallmarks and maker's marks are clearly visible on the side: Birmingham 1935, by W H Neale Ltd. Condition: The silver of the mirror is in great used condition (there are a few scratches on the back only to be expected with the age of the item). The mirror is not marked and is clear.
