Description

Rare French Bakelite Miniature Alarm Clock Very attractive 1930s Art Deco French alarm clock in miniature form. These clocks are without doubt very hard to come by in this size, we've only had 3 in the past year. Made by the French maker Jaz, this clock is in very good condition, the bakelite is as bright and crisp as when first made. This delightful little clock comes with it's original case and is in Full working order. The last pic is from an identically sized but different clock which has sold but demonstrates the size with a standard size battery next to it.
