Description

Victorian Rustic Pine Dining or Side Table This is a delightful, piece, it has been rescued from a barn in original condition, the pine is smooth and worn, it has never been painted or stripped. The table has long rectangular 3 plank top with chunky turned legs, there are 2 useful drawers which have turned knobs and it stands on casters. This is a good Victorian piece and it is sound, the table would work well as a serving table or as a kitchen table. Obviously the original finish is not to everyone's taste and we will clean and wax it if you want. The table is 67" long and 29" deep, it stands 31" high and it is 22" under knee height.
