Description

1920s Limit pocket watch and chain. The watch has a signed Swiss stem-winding movement which is working nicely. The movement is protected by an inner hinged cover (which has some scratches and marking). The watch measures 50mm diameter excluding the winding stem and the loop. The case is nickel and is in good condition with just light surface marks. The watch glass is in good order. The white enamel dial is in very nice condition... one of the hands is a later replacement but still antique and in keeping with the style. The watch comes with a single albert which measures 24cm long including the T-bar and the clasp. PRICE INCLUDES WORLDWIDE POSTAGE
