Description

Very attractive 1930's Art Deco bakelite and chrome clock with a very distinctive sweeping streamline shape. Originating from France and made by the Jaz company this wonderful clock is the epitome of Art Deco with its fabulous shaped case. The clock works perfectly and keeps good time. Condition is excellent and as good as one could expect from something nearing 80 years old. There are no flaws to mention, the chrome is as crisp and bright as is the bakelite as when first made.
