## Description

Pretty art nouveau silver plated card tray by WMF, c.1905. It depicts a kneeling child facing a snail set on a branch that then swirls around the tray to frame the scene and forms the finger holds. Marked WMF EP and "as" to the reverse along with model number 210. It measures 10 3/4" long, 5 3/4" wide and 7/8" deep. Condition is good with no damage but it has a bit of surface wear and patina which I have left given it is plated.
