Description

A 1930s Record full hunter pocket watch and chain. The watch has a good quality Swiss stem-winding movement with a whiplash regulator. The movement is working well and is protected by an inner hinged cover. The watch itself measures 52mm diameter excluding the winding stem and the loop. The case is gold plated with a sunburst pattern to both the front and the back. There is a small indentation to the back of the case but other than that, it is in lovely condition. The winding stem pushes in to open the front cover. Inside there is an acrylic lens in good condition over a white enamel dial. The dial is in lovely condition. The watch comes with a charming chain which measures 30cm long including the T-bar and the clasp. Also included is a swivel fob with a bloodstone to one side and a sardonyx to the other. PRICE INCLUDES WORLDWIDE POSTAGE
