Description

Art Deco Modernist Umbrella Stand Impressive and totally original 1930's Art Deco Modernist umbrella Stand. Ideal if space is an issue and also if you like the modernist look. Condition is excellent, the chrome shows little signs of wear for it's 90 odd years likewise with the black enameling. The tray base is bakelite and all finials are in tact. There are some minor and very tiny dings to the base, nothing that detracts but mentioned for accuracy. If you like the 'glam' aspect of Art Deco then this is the piece for you!
