Description

This item is unique and for those of us who love the decorative and "quirky" this fits into that category. It is an old French regimental drum which has been set onto a very stylish chic brass stand which has a beautiful cast roundel inset with a large cross, we have shown it here with some Arum Lillies, it would look fantastic in a lounge or hall. Dimensions are "drum diameter" 16 ins and 30 ins tall. For further details on any of our stock, please give us a call. tel 07966398123. Friendly Courteous Service.
