Description

Very stylish and becoming increasingly hard to source is this 1930s Art Deco Chest of four drawers. Most Art Deco bedroom suites don't come with a chest of drawers so these little gems take a little searching for if you want one, so we were delighted to have found this. Walnut veneers make a geometric pattern across the whole piece and contrast beautifully with the plinth which is in Macassar Ebony. Deceptively large drawers giving lots of storage but the overall piece is fairly petite in size makes for an ideal piece where space is an issue or you don't need /want a large rambling piece of furniture. The whole chest is in excellent condition having been newly restored. All drawers runs smoothly and with ease. Delivery within the UK £45
