An attractive and rare cheval, or dressing, mirror in burr walnut. This mirror is unusual in that it has three plates as opposed to just the standard central one. The angle that the two end mirrors sit at can be adjusted as can the angle of tilt of the central mirror. Of good quality construction in walnut with stunning burr walnut veneers. The mirrors are fitted with their original beveled glass plates. We have had this piece sympathetically repolished to a very high standard, it is in excellent condition, ready to go straight into the home.
