Price

Sold**Item Reference: SA418970****Date of manufacture: 1750**

Dimensions

Height = 11 cm (4.3")

Width = 6 cm (2.4")

Description

A highly collectable Georgian gin glass from c1750. The glass has a lovely grey colour which is often only found in early pieces of glassware. The stem features a rounded knop, the rare folded foot is domed and has the expected broken pontil mark. A charming example and an excellent collector's piece. Postage contribution £10.00 within the UK. £15.00 worldwide. Condition :- Excellent, with no cracks or chips. Origin :- English. Date :- c1750. Diameter of base :- 6 cms. Height :- 11.5 cms.

Internal Ref: ACA211
