Description

A brass chandelier and pair of wall sconces in Empire style, probably dating from circa 1920-1930. The chandelier in the form of an orb pierced with an arrow and six branch arms terminating in female heads. The chandelier measures 60cm drop x 36cm diam. They have not been re-wired but I can arrange to have it done by a qualified electrician at cost. I would consider splitting the chandelier and lights.
