## Description

A good early Victorian mahogany window seat or hall bench with scroll ends on turned tapering legs. In good solid order and a good size, perfect for a hall or window bay. Good overall condition with a lovely rich patina. It has not been completely refinished, instead the original patina and age has been retained so there are some small signs of wear and slight knocks / marks but nothing major. The best description comes from the photos so please look at them all carefully and if you have any questions please ask.
