Description

Antique Dennison pocket watch and double albert. The watch has a good quality stem-winding movement which is working nicely. The movement is signed Dennison, 15 jewels, Swiss made. The movement is protected by an inner hinged cover. The watch measures 50.7mm diameter excluding the winding stem and the loop. The case is gold plated and it is in good condition with only light surface marks from use. The inside of the case back has a small "ding" and a couple of light surface scratches. The watch glass is in nice condition with only the odd minor mark. The white enamel dial is signed Dennison W.C.Co, Swiss. The dial has a faint hairline crack between 11 & 12 O'clock but otherwise it is in nice condition. The watch comes with a good quality antique double albert which measures 22cm. The chain, T bar and clasps are all stamped T*H. The chain is in nice condition. Price includes worldwide postage.
