## Description

A vintage 1930s Tempo pocket watch. The watch has a stem-winding movement which is ticking away nicely and the time keeping is good. The watch measures 46.4 mm diameter excluding the winding crown and the loop. The case is stamped rolled gold, Guaranteed 10 years. The case has general light surface marks from use and the odd minor mark to the surface but otherwise it is in nice condition. The watch lens is plastic and is in nice condition. The gold coloured harlequin dial is signed Tempo with Swiss Made at the bottom. The dial has minor surface marking but overall it is in nice condition. The hour hand is later although still vintage. Price includes worldwide postage.
