Description

A truly beautiful 1930's Art deco Walnut cabinet of great proportions. The veneers on this cabinet are exceptional and look very impressive. The Arched top tapers down to a ebonised stepped plinth. The interior still retains it's original cloth backing, there are one or two shadow marks but nothing to detract the eye. We've shown this piece without its shelving, there are 3 glass shelves in total and as an added bonus we've also added wooden shelving as an option as we think this is an ideal candidate to use as a bookcase. The cabinet is in excellent showroom condition. Delivery UK mainland £85
