Description

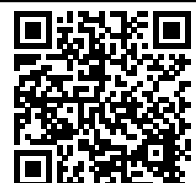

A very attractive elm trunk/coffee table with a distinctive grain and deep rich patina. This antique trunk could be used to provide extra storage or as a decorative coffee table. There is a very minor repair to the back plinth, but the overall condition is good. Inside the trunk there is a candle box and the interior has solid hinges and is in a tidy condition. A beautiful decorative piece to add country style to any interior. c.1850

Internal Ref: C228
