

Sold

Date of manufacture: Victorian

Depth = 6 cm (2.4")

A very fine, solid silver cream jug, elegantly embossed with animal & bird countryside scenes. It is beautifully shaped and sits on three ornate 'lion's head' feet. The rim of the jug is pleasantly scalloped. Clear hallmarks and maker's marks are visible near the handle of the jug: Birmingham 1895, George Nathan & Ridley Hayes. Condition (see photos): This cream jug is in excellent used condition although the handle is a little off centre. Measurements: Height: 10cm approx. Width: 12cm approx. Depth: 6.7cm approx. Weight: 178.35 grams approx.
