Description

Small antique Victorian chest of drawers in satinwood. At least I think it's satinwood, or it might be satin birch. Either way it has a great colour. It's very much the same format as the larger ones I do all the time. This chest is in good condition, with a few minor old markings mainly on the plinth base & it has been French polished. The drawers are nice & deep & the handles look original. I would date this chest to around the 1860 period. Width - 36.2", 92 cm Depth - 19", 48 cm Height - 32.3", 82 cm
