Description

Edwardian walnut 8 seat dining table Here we have this dining table made in solid Walnut that was made circa 1880-1900 This table is of great proportions for the modern home. It closes down so that it can be used without a leaf (125cms), and then with the telescopic winding mechanism it opens up so that an extra leaf can be placed in. (178cms) This is a very versatile table The table stands on solid well proportioned walnut fluted turned legs with the original brass cup castors and china wheels. This table has the features that are most desirable for this type of Edwardian period table, the rounded corners and elegant fluted legs. We have restored this table to our specification and so you can be confident of getting the best of its type To view this attractive table on video please go to www.hingstons-antiques.co.uk PRICE MATCHING Antiques are quite unique as it is impossible to price match. When you choose to purchase an item from Hingstons you will be purchasing a piece that will enhance your home. We spend time choosing the best product, that meets the criteria to be placed in Hingstons of Wilton stock. We use traditional methods of restoration and do not use lacq...
