Description

Outstanding Omega solid 18ct gold gents wristwatch. This is a very fine example of a gents classic wristwatch made by the world renowned premier Swiss maker Omega. It has a fully automatic calibre 351 movement. The serial number dates this accurately to 1949. An Omega "bumper" is a vintage Omega that has a "bumper" automatic movement rather than a full rotation rotor automatic. The oscillating weight makes a partial rotation before "bumping" into a cushioning spring, it is extremely rare to find this in a solid 18ct rose gold case. The professionally restored two tone dial with rose gilt hands, baton markers and numbers is in mint unmarked condition. It also the Omega symbol on the crown and buckle. It has been professionally serviced and a new glass has been fitted and is in exceptional condition. As you would expect the watch is fully marked on the dial, movement and case. It comes with its original presentation box. It comes complete with a new premium quality black leather strap. Omega are one of the most exclusive watchmakers in the world and this watch certainly has that understated elegance that whispers class. The watch case measures 33mm in diameter no...
