Description

Fine George III mahogany tilt top tripod table c.1765. With a slim 23" diameter single piece top in solid mahogany on a crisp turned mahogany column with twist carved detail. Raised on gracefully shaped legs ending in a very unusual foot carved to resemble a horse's hoof. Beautiful condition, simply cleaned and waxed in our workshops. Though it seems the catch has been repositioned at some point it is in our opinion original to the table. Dimensions: diameter 23", height 27½". Year: c.1765. Stock Number: 29551

Internal Ref: 29551
