## Description

A delightful and very pretty Edwardian vanity jar, the perfect size to store Q-Tips. The base is made from crystal beautifully cut in the ever-popular hobnail design and a star cut to the underside. The domed lid is made from sterling silver struck with a hallmark from the highly collectible Chester assay office in the year 1905 with a makers mark for the silversmith, William Neale. The lid is beautifully decorated with a repousse Art Nouveau floral design, very pretty and most unusual. Excellent condition, the lid has a diameter measuring 2 3/4" and stands 3 1/4" tall.
