Sold**Item Reference: SA423817****Date of manufacture: 1910**

Description

Antique 1911 Elgin half hunter pocket watch. The watch has a stem-winding movement which is working well. The movement is signed Elgin Nat'l Watch Co USA and it has the serial number 16416357 which dates it back to 1911. The movement is protected by an inner hinged cover. The watch measures 50.4mm diameter excluding the winding stem and the loop. The half hunter case is gold plated. Overall it is in good condition with just a couple of small indentations to the front cover and light surface marking from use. The small lens has general marks from where it has rubbed against something in a pocket. The winding crown pushes in to open the front cover which reveals a larger plastic lens which is in good condition. The signed enamel dial has a couple of faint hairline cracks although hardly noticeable to the naked eye. The watch has blued steel hands. Price includes worldwide postage
