Description

A 1920s Tavannes open faced pocket watch with chain. The watch has a signed stem-winding movement which is working well. The movement is protected by an inner hinged cover. The watch itself measures 50mm diameter excluding the winding stem and the loop. The case is gold plated and was made in England by Dennison. The case is in good condition. The glass has minor marks but is very acceptable. The white enamel dial is in good condition, and has blued steel hands, a subsidiary seconds dial and an outer minute track. The watch comes with a single albert which measures 28.5cm long including the T-bar and the clasp.
