Description

This is an exceptional example of a gents watch made by the premier Swiss maker Longines. This is an extremely rare model with a rectangular shaped case and a square sub seconds dial, very much of the Art Deco era. The watch is completely original, it has not been retouched or restored in any way, the harlequin dial is just superb and it has its original winding crown with the Longines logo. It has a calibre 23Z manual winding movement which is of the highest quality and as you can see is sparkling clean and in fabulous condition. It has had a new glass fitted and the case has been professionally cleaned and polished so is absolutely pristine. The case measures 26mm x 37mm without the winding crown. The watch comes with a high quality wooden presentation box to keep it in perfect condition. As you would expect from Longines the watch is fully marked on the dial, movement, crown and case. It has a new premium grade black leather strap. It is extremely rare to find this watch in totally original condition and much sought after by collectors. The watch movement has just been fully serviced and is guaranteed to be a genuine Longines in all respects. This watch ha...
