## Description

A really stunning pair of perfume or scent globes, each made from a piece of heavy crystal, beautifully hand-cut. The mounts are pierced or reticulated and cover the shoulders of the bottle. The reticulated lids pull off to reveal large cut crystal stoppers to protect the precious contents. The silver is hallmarked for Birmingham 1904, making these an Edwardian pair, and wonderful to have a pair. Impressive in every way including the size, each having a diameter measuring 4 1/2" and standing 5 1/3" tall. Item ID:38964 FREE Worldwide Registered Airmail Directly From London, England
