Description

Late Victorian walnut pedestal desk Here we have this late Victorian solid walnut desk (made circa 1880-1900) The desk has the normal 3 drawers along the top, in the right hand pedestal it has a small drawer at the top and a disguised double file drawer at the bottom, this makes it even more useful. The pedestal to the left is fitted the usual 3 graduated drawers. The desk is fielded panels to the pedestals and on the drawer fronts It has its original brass plate handles. Watch a video of this desk at hingstons-antiques.co.uk This walnut desk was made in 3 sections as you would require when buying a pedestal desk as if they ae made in one piece they probably started their life as dressing table. This makes it very easy to move around your office or home. PRICE MATCHING Antiques are quite unique as it is impossible to price match. When you choose to purchase an item from Hingstons you will be purchasing a piece that will enhance your home. We spend time choosing the best product, that meets the criteria to be placed in Hingstons of Wilton stock. We use traditional methods of restoration and do not use lacquers and spray finishes. Beware of cheaper imitations. DISTAN...
