Depth = 20 cm (7.9")

Description

This is an example of a gents classic wristwatch made by the world renowned premier Swiss maker Vertex. The manual wind watch movement is the calibre 58 17 jewels. The original sub seconds dial is in remarkable condition, it has gilt hands and numbers. A new glass has been fitted and the case has been professionally polished. It is attached to a later solid 9ct gold bracelet which fits a wrist size of up to 7.5 inches. As you would expect the watch is fully marked on the dial, movement and case. The case is fully hallmarked. The watch measures 34mm in diameter not including the crown. There is a slight dent to the side of the case which is photographed. The watch has been fully serviced by Alan Williams FBHI and is guaranteed to be a genuine Vertex in all respects. It has been professionally overhauled, the process is highly detailed and meticulous. It is stripped down to its component parts and each part is examined under a microscope for signs of wear, any worn parts are replaced with genuine manufacturers parts. Each part is then thoroughly cleaned in a three stage ultrasonic cleaning process. The movement is then fully assembled using manufacturers a...
