Description

Old French Gilt Console or Hall Table This is a very attractive piece, the table is a hard wood carved with bold scroll and shell decoration, the table is a scalloped shape with a moulded edge to the top and an elaborate crossing stretcher beneath. The age darkened gold finish has a chic shabby opulence, the table is sturdy though some of the decorative carvings are slightly chipped, but with a complex design like this they are not easily seen. The table is 32" high, 43" wide at the back and 18 deep NC47

Internal Ref: NC47
