Description

Very Large French Cast Iron Pestle and Mortar The Most wonderful piece of French Artisan equipment and a really rare piece The Mortar has carrying handles on each side and it takes at least 2 strong people to lift it, I am not sure of the exact use of this piece but most likely industrial for crushing possibly pigments or other compounds, the Mortar comes with its original cast iron pestle Now after years of use, this is the opportunity to give this marvellous piece a new life, the mortar is strong and sound and ready to go back to work The mortar is 14" high, and is 16" in diameter, the pestle is 24" long NC54 We Give Free Delivery to Mainland England & Wales, Delivery times vary according to your location usually 7 to 28 days We only operate an online store and regrettably viewing in person is not an option. In the unlikely event you wish to return an item you should contact us immediately. We will then arrange for you to return it to us at the buyer's expense, the item must be returned back with us in the same condition as it left and a full refund will be issued there may be a small surcharge to Scotland please enquire tudl183@me.com Our Courier service is a 'On...
