Description

This is a lovely antique Edwardian hallmarked sterling silver pin cushion in the style of a chick hatching from an egg. It measures 2 1/2" (6 cms) tall x 1 3/4" (4.5 cms) across. It's hallmarked for Birmingham 1910 but I can't read the silversmiths mark. It weighs 58.6 grams and would make a great addition to any collection. It's in great condition with just a couple of small dints to the bottom of the egg where it sits down. Free worldwide fully insured shipping included in the price.
