Description

DUTCH SCHOOL: an interesting PAIR of OIL PAINTINGS on wooden panels one of which depicts a harbour scene with fish being sold against a background of moored boats. The other shows a busy scene in a market square with a church in the background and various characters going about their business. These curious paintings, although unsigned, have charm ~ somewhat naive ~ and both are rather amusing and intriguing. 12.75ins wide; 10.5ins high including the frames (32 x 26.5cms). Priced for the pair...
