Description

Beautiful original condition, professionally serviced with a 12 month warranty. This is a very fine and exquisite example of a ladies wristwatch made by Swiss maker Gruen. It has a solid 14ct rose gold case and lovely shoulders with diamonds and rubies -very much of the Art Deco era in design. It is attached to a solid 9ct yellow gold snake skin design bracelet which simply glides around the wrist and will fit a maximum wrist size of 6.5 inches but this can easily be reduced by any competent jeweller. The case measures 28mm x 14mm excluding the winding crown. It is quite stunning, the dial is completely original. A new glass has been fitted and it has been professionally cleaned and polished so it is absolutely pristine. The 17 jewel is an absolute gem, sparkling clean and in like new condition, this is a movement from the golden age of Swiss watchmaking. As you would expect from Gruen the watch is fully marked on the dial and movement and the case is marked 14k and the bracelet 9ct. It also comes with its original box. Gruen were one of the most exclusive makers during this period and this watch certainly has that understated elegance which resonates class,...
