Description

Antique Swedish marble top secrétaire cabinet of fine quality with a stunning writing interior. It has a slim top drawer, a pull down writing surface, a bottom drawer & sitting on tapered inlaid legs with brass feet. This is an exceptional piece of furniture both inside & out. There are many different woods involved, like rosewood, kingwood, satin birch plus many more. This cabinet has lots of fine gilt mounts & escutcheons. There is some fine marquetry in panels on the front flap & sides. The flap comes down to reveal a wonderful secrétaire. with all sorts of intricate features. There are many drawers & a cupboard, plus the wood inside is beautiful. I think this piece looks better open than closed. This cabinet is in excellent condition having just been polished & I would date it to around the 1910 period. Width - 38.2", 97 cm Depth - 16.5", 42 cm Height - 48.4", 123 cm Knee height - 29.1", 74 cm
